

WYCOMBE WANDERERS, who received a "dream" home tie against Bournemouth in Monday's F.A. Cup second round draw, have decided to make the match "all ticket" with a limit of 12,000 on the crowd.

Wanderers took the decision after a committee meeting on Tuesday and increased the entry prices as follows: Entry to ground, Adults 50p, Children 30p and Old Age Pensioners 20p. Entry to the enclosure will be 70p (inclusive of ground entry), the wing stands A and F are 80p and centre stands B, E and C are 90p.

C block stand season ticket holders can obtain their tickets until Thursday, December 5. All tickets will be on sale on Sunday morning (10 a.m.-12.30 p.m.), Monday, Tuesday, Wednesday and Thursday next week from 7-9 p.m. Details of ticket sales for the following week will be announced at a later date.

The tickets will be sold from inside the clubhouse at Loakes Park and not from the treasurer's office or the committee room as in the past.

Gates on the day will be opening early, probably at 1 o'clock and spectators are asked to arrive early on to avoid congestion nearer kick-off time. The club have acquired the services of the Thames Valley Police brass band to provide entertainment.

The restriction of 12,000 was taken mainly in the interests of safety. It will also give spectators a chance of better viewing and comfort.

Treasurer Roger Lee is hoping for the full co-operation of the

12,000 limit and all ticket for B'mouth

public. "If we get their co-operation, in all matters, especially in getting to the ground early, then things should go well. But if people try to get into the ground after 2.30, it could be difficult," he said.

"A great deal of effort goes into these games by staff and stewards and a great many hours of work are involved. All that is in vain if we don't get the public's co-operation."

Roger is confident he will sell all his tickets. "There has been a big demand already while 25 per cent of the tickets will go to Bournemouth," he said.

AYLESBURY R.F.C., the Bucks Knock-out Cup champions, have organised a special charity match in aid of the Rugby Football Union Charitable Trust on Sunday, December 1 to raise funds for one of their players.

Tony Taylor, one of their first team centres, suffered a serious neck injury when scoring a try against Welwyn on September 21. Tony is seriously paralysed and is currently in Stoke Mandeville Hospital.

Tony, 23, played for the club for two years since arriving from his native New Zealand to study farming methods. He was engaged to be married and had planned to return to New Zealand in January 1975.

His mother, Mrs. Joan Taylor, was flown over by Aylesbury club within a few days of the injury, accompanied by her elder son Kevin, who is also a keen rugby fan and plays for his province. They returned on November 13.

As well as the match, which includes some of the country's top international players, a rugby ball with the autographs of the 1974 British Lions will be used to raise funds and £350 has already been offered for the ball. A life-size lion will also be raffled on the day. Disc jockey Terry Wogan will be assisting in the arrangements while extra spectator and car parking facilities will be laid on.

The teams—the Aylesbury president's XV and the Bucks R.F.U. president's XV — kick-off at 2.30 and with the players on view, should provide some excellent attacking rugby.

The teams are: AYLESBURY PRESIDENTS XV: G. James (London Welsh), W. Steele (Scotland), J. Janion (England), J. Shanklin (Wales), C. Rees (Wales), R. Shackleton (England), J. Page (England), D. Powell (England), J. Young (Wales), M. Burton (England), A. Brinn (England), P. Larter (England), D. Rogers (England), R. Arniel (Scotland), J. Watkins (England).

BUCKS PRESIDENTS XV: (All England unless stated): R. Hosen, K. Hughes (Wales), M. Beese, G. Evans, P. Knight, R. Cowman, W. Gittings, D. Wrench, J. Pullin, S. Carmichael (Scotland), C. Ralston, D. Watt, G. Evans (Wales), A. Ripley, D. Gay.
